

Buena Vista Creative Preschool is located in a spacious main floor classroom in Buena Vista School, Saskatoon (1306 Lorne Avenue). We have been in operation since 1992, and enjoy all of the benefits of being part of the Buena Vista School “family”, including access to school amenities, school newsletters, and care-partners with other students. The Preschool Classroom provides a carefully planned, stimulating environment, which will help children to develop within themselves the foundational habits, attitudes, skills and ideas essential for a lifetime of creative thinking and learning. Buena Vista Creative Preschool believes that it is important for children to learn through interaction with others, including parents, staff and peers in a friendly learning environment.

Our Philosophy:

- To promote community well-being by providing a quality preschool that meets the needs of preschool children in the Buena Vista area
- To provide a safe, positive environment that enhances early childhood learning, play and social development
- To attend to the individual child’s needs as assessed by a qualified teacher
- To encourage families to take an active role in the Buena Vista Preschool and Community

Preschool Operation:

- Our preschool is run as a co-operative, where families are asked to be a parent helper in class approximately once per month, participate in fundraising activities, attend one toy wash, and donate craft or classroom supplies occasionally.

- Two-day classes run on Tuesdays and Thursdays (9:15 to 11:30am).
 - This class is focused on introduction to education, and is geared towards 3-4 year olds.
- Preschool commences the second week of September and ends the third week of June.

VOLUNTEER FOR THE PRESCHOOL EXECUTIVE / COMMITTEES

Buena Vista Creative preschool is a co-operative; as such our success is a direct result of the time and effort put forth by our families as a whole. Please consider volunteering some of your time in order to create the best possible preschool for our children. Our Executive generally meets one evening per month for 1 to 2 hours. The meetings are very informal and a great way to meet others in the community.

2018/2019 Executive Positions:

Preschool Chair (VACANT):

This person is responsible for chairing the monthly preschool meetings and also reporting to the BVCA as to the preschool operations (~5 meetings per year). The Chair also maintains the files and paperwork related to the preschool.

Preschool Vice Chair and Secretary (VACANT):

This person will assist the Preschool Chair in administrative duties, such as, booking rooms, assisting with paperwork related to the preschool and attending executive meeting and keeping meeting minutes.

Teacher Liaison (VACANT):

This person is the primary contact with the preschool teacher. If a group decision is required, the teacher liaison can then contact the rest of the board. This person organizes field trips and transportation. The teacher may request assistance with the end of year scrapbooks.

Registrar (VACANT):

This person maintains a list of children registered in the preschool, and coordinates and facilitates registration throughout the year.

Treasurer (VACANT):

This person collects fees, distributes receipts, and works with the Treasurer of the Buena Vista Community Association to maintain a budget for the preschool.

Fundraising (VACANT):

This person is responsible for the fundraising activities of the preschool.

Newsletter/Website and Blog (VACANT):

This person will work with the teacher and Executive to create a monthly newsletter, updating parents on the events and activities of our preschool. This person also maintains and updates the preschool's website and blog. The preschool blog is password-protected and photos are posted periodically throughout the year, so families can see what we have been up to in the classroom. The teacher may request assistance with the end of year scrapbooks

2018/2019 Additional Support:

Scheduling Representative (VACANT):

There is one scheduling representative per class (MWF class and TTh class). This person assists with the creation of the parent helper schedule for their class (posts the calendars on the board, monitors the number of helper days per family).

Let us know if you are interested in volunteering!
